

MARINE INSURANCE WORKSHOPS

3rd Session - Marine Cargo Insurance on Thursday, 2nd November 2023

This is the 3rd in a series of four bi-monthly workshops focusing on “Marine Insurance”, which is jointly co-organized by The Hong Kong Logistics Management Staff Association (HKLMSA), Marsh (Hong Kong) Limited, China Taiping Insurance (HK) Company Limited, C.Y. Tung International Centre for Maritime Studies (ICMS), and The Hong Kong Shippers’ Council. The workshops are at elementary level and should particularly appeal to the students and practitioners who start stepping into maritime industry and are interested in and/or wish to enrich their knowledge in marine insurance.

China Taiping Insurance (HK) Company Limited and The Hong Kong Shippers’ Council were co-organizers in 2019 and 2020 of workshops in the topics of general principles in marine insurance & Introduction on different types of marine insurance (1st session) and Marine insurance market (2nd session) respectively. The programme was suspended due to the pandemic.

For the recommenced 3rd and 4th Sessions, we have Mr. Eddie Au of Marsh (Hong Kong) Limited as our guest speaker to share his professional knowledge and experience regarding Marine Cargo Insurance and Freight Forwarder Liability Insurance. The main features of the workshops are as follows:

3rd session - Marine Cargo Insurance on 2nd November 2023

4th session - Freight Forwarder Liability Insurance (Date and venue to be confirmed)

All members, non-members and guests are cordially invited to attend the 3rd session and the details are as follows:

Speaker's Information

Mr. Eddie Au

Eddie, currently is working in Marsh (HK) Limited's Marine, Cargo & Logistics Team in the capacity of Assistant Vice President.

Eddie joined the insurance broking field on 7 Oct 2013 after his 10 years' logistics/freight forwarding working experience and is now mainly responsible for Marine Cargo, Freight Forwarder Liability, Stock Throughput, Fine Art and related insurance broking works.

Eddie has experience in handling CLAIMS of these areas also. Till now, Eddie has gained almost 10 years' experience in the Marine Cargo Forwarding & Broking Field, with satisfactory exposures to the market, no matter with insurers/carriers, surveyors, adjusters and clients also.

With regards to his 10 years' Logistics/Forwarding experience before, Eddie came across majority of forwarding jobs including all kinds of freight arrangements like air/ocean/road, agency management, and management report preparation for assisting Management Level of those critical business decision. During the last few years in the Forwarding Field, Eddie spent much of his time in dealing with those forwarder liability related claims and policy renewal. Eddie got sound and comprehensive knowledge and experience in logistics/forwarding areas.

Eddie also gained 10 years' working experience in banking industry when he came out to work after studies. Both banking and logistics experience is very fruitful to Eddie for his current broking career.

Eddie possesses Higher Diploma, Bachelor (Honor Degree) & Master in Intl Shipping, Supply Chain & Logistics Fields while a Diploma in Legal Studies from HKU SPACE also.

Moderators

LAI Wai Lim, William

William began his career in the maritime industry in 2005, and has experience in a range of maritime practice, on liner shipping agency, ship broking, marine insurance broking (underwriting and claims handling), and started practising average adjusting at Asia Maritime Adjusting (HK) in 2014. Having satisfied the demands of the examiners of the Association of Average Adjusters, he was elected a Fellow of the Association at its general meeting in May 2019. He joined Charles Taylor Adjusting in August 2020 and as a member of the senior adjusting team, he helps to serve the clients in Greater China market in various kinds of marine hull claims. He is currently on the executive committee of the Institute of Seatriansport and the Hong Kong Logistics Management Staff Association, also sitting on the IoS education sub-committee and the editorial board of "Seaview", the quarterly journal of the IoS.

WONG Cho Hor

Wong Cho Hor read Economics & International Relations at University College London. He began his career in 1973 with Five Oceans Maritime and as director has experience in a range of maritime practice, on corporate, ship acquisition, financing, ship-management (shipbuilding & Repairs, Technical & Maintenance, Marine Insurance, Chartering, Operations & Agency, Legal & Disputes) and project financing (Harbour and other infrastructures). He served as a Director of the Charterers P&I Club. He was appointed Sector Specialist for Transport & Logistics by the Hong Kong Council for Accreditation of Academic Qualifications until 31 December 2013. He is currently an Executive Committee member of the Hong Kong Logistics Management Staff Association. He released the Belt & Road Initiative General Theory (BRIGT) in June 2018, and introduced the Interdisciplinary Learning and Interlink Methodology (IDLIM) in September 2021. He was from 2014 the Administrator of the Interdisciplinary Maritime Practice (IMP) (24 monthly sessions) and Belt & Road Initiative Forum (RBIF) (4 bimonthly sessions) Workshop Series with Mr. Raymond Wong as Chair of Panel of Moderators.
