

FuelEU Maritime: Preparing Asia for Compliance

OceanScore invites you to our **FuelEU seminar** taking place at the Hong Kong Management Association. We'll discuss the regulation in depth, what it means for Asian players, and best practices and strategies for efficient compliance.

Presenters

Albrecht Grell
Managing Director

Albrecht Grell has been serving shipping since 2007, with a strong focus on digital transformation and innovation.

Leo Grayson
Head of APAC, Commercial

Leo Grayson has 8+ years in maritime technology with a focus on growing sales, expanding into new markets, and working closely with product development teams.
