## **THE DECENNIAL SUMMIT**

10th Global Arbitration & Litigation Conclave

### **VENUE**

**Novotel Century Hong Kong**  
(238 Jaffe Road, Wan Chai, Hong Kong)

31<sup>st</sup> July' 2026

# ABOUT GLA<sup>X</sup>

A private, curated forum convening Arbitrators, General Counsels, Partners, Institutional Leaders & Policymakers shaping the future of global disputes.

**GLA X - The Decennial Summit** marks **10 Editions** at the forefront of global **arbitration, litigation and dispute resolution.**

Set in **Hong Kong**, a premier global legal and financial hub, this edition convenes leading **arbitrators, judges, general counsels, policymakers, industry leaders & decision-makers** to examine the forces **reshaping the future of global disputes.**

**GLA X** is a curated global experience - Uniting leaders to explore **cross-border disputes, financial risk, AI, ESG & the evolving future of legal practice.**

**A Curated Global Gathering**

**Limited to  
Select Senior Leaders**

**By Invitation Only**

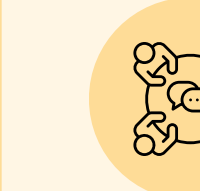

Through **live debates, fireside dialogues and an exclusive GC forum**, **GLA X** creates a dynamic platform where **ideas are tested, perspectives refined and the future of disputes shaped.**

**GLA X - Where the Future of Dispute Resolution is Shaped**

**A Milestone Edition | A Global Room | A Defining Moment**

# AGENDA

|                                                                                                                                                                                                                        |                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                          |                                                                                                                                                                                    |

# POWERED BY

Effectual Services is an award-winning Intellectual Property (IP) management advisory & consulting firm offering IP intelligence to Fortune 500 companies, law firms, research institutes and universities, and venture capital firms/PE firms, globally. Through research & intelligence we help our clients in taking critical business decisions backed with credible data sources, which in turn helps them achieve their organizational goals, foster innovation and achieve milestones within timelines while optimizing costs. We are one of the largest IP & business intelligence providers, globally serving clients for over a decade now. Our multidisciplinary teams of subject matter experts have deep knowledge of best practices across industries, are adept with benchmarking quality standards and use a combination of human and machine intellect to deliver quality projects. Having a global footprint in over 5 countries helps us to bridge boundaries and work seamlessly across multiple time zones, thus living to the core of our philosophy - Innovation is global, so are we !!!

Effectual enables R&D leaders, Technology Scouts, and Open Innovation Teams by providing information that can help them take real time business decisions backed with credible and authentic data.

## **We can help you:**

- Find innovative technology or innovations made by businesses.
- Find government scientists and university professionals to respond to our client's specific research needs.
- Cross-industry innovation: find and implement solutions from other industries.
- Find startups to invest in and work with ground-breaking technology
